

ROCK ROBOTICS *FIRST* ROBOTICS TEAM

SPONSORSHIP & PARTNERSHIP PACKET

Hello and thank you for your interest in the **ROCK ROBOTICS *FIRST*** Robotics Team! *FIRST* is a global robotics organization founded in 1989 to inspire young people's interest in pursuing careers in science, technology, engineering, and math, while building self-confidence, knowledge, and life skills. We appreciate your time to learn more about our robotics team and ways in which you might be able to help support our efforts.

ABOUT OUR TEAM: Rock Robotics is a rookie team based in the West Palm Beach/Jupiter area. Our team is composed of members highly interested in robotics, community outreach, and marketing. We are a highly motivated group of high school students with a passion and drive to learn, compete and educate. Currently, our team is searching for mentors and sponsorships. We hope our team can have an amazing "FIRST" season!

Skills Students Learn:

- Mechanical and Electrical Engineering
- Computer Programming
- Machining and Tool Usage
- Computer Aided Design (CAD)
- Entrepreneurship, Graphic Design, and Marketing
- Teamwork and Sportsmanship

Community Impact:

Currently we are a new team and are yet to have large community impact; however, we hope to plan more events as we form our FTC Team!

We plan on:

- Making a day camp for elementary, and middle school students
- Social Media Outreach
- Going to Elementary and Middle Schools for STEM Outreach

On the next few pages, you'll find information about our team's needs in terms of mentors, materials, and funding. Please contact us with any questions, and thank you for your time!
